(A) Competition Entry Fee:

- If the entry fee is not paid, the player is disqualified, but their score will count for handicap purposes.

(B) Method of Entry:

- Sign in for competition in the Pro Shop and ensure you take the correct card for the course in play ie: MacKenzie or Bruen
- Enter name, full handicap index, course handicap and playing handicap, date & competition title on card or use the sticker provided from the printer which will have all details. In the event of computer failure, you must sign the competition entry sheet. Failure to do either of the above disqualifies the player from the competition but their score will count for handicap purposes.

(C) Competition timesheet opening times

- Timesheets for normal weekly competitions will open 9 days in advance at 19:30.
- Timesheets for open competitions will open for members 9 days in advance and for non-members 9 days in advance.
- Timesheets for Major Competitions will open 9 days in advance.

(D) Format of Competition:

- The format of each competition is written on the timesheet Banner on ClubNet for that day.
- Joint Competitions:

The Joint competitions (run on Sundays, with Thursdays being the Alternate Day) are:

Eileen Murphy <i>Foursomes</i>	Nora Cronin <i>V Par</i>	Tiger Pot <i>Stroke</i>	Guy & Twomey Cups <i>Stroke</i>

- If a joint competition is scheduled and if the Main day (Sunday) is cancelled the player/players with the best nett score/scores on the Alternate Day (Thursday), are the winners of that competition. Similarly, if the alternate day (Thursday) is cancelled, the Main Day (Sunday) result is the winner of the competition.
- For a Joint competition, the pin positions and teeing grounds may be differently situated on each day of the competition, provided that on any one day all competitors play with each pin position and each teeing ground in the same position.
- When players have a choice between Main Day or Alternate Day participation for a singles stroke play competition, any player who elects to play on the second day of the Competition is permitted to play on the competition course on the first day of said Competition. This permits those players not competing on the first day to play on the course without being deemed to have practised on the course.
- **O’Cruaioi Open Competition:**
Terms of this competition for the Ladies will issue before its commencement date in Spring 2021.
- **Delayed play due to adverse weather conditions:**
Where the starting time of a competition is delayed due to closure of the course arising from adverse weather conditions, the running order of the original timesheet will remain in place from when the course is opened by the Course Staff, Club Professional or General Manager.

 - Line up your putt while others are putting and be ready to putt in turn.

 - Encourage your playing partners to keep up with the group in front.
 - If someone is slowing things down, TELL HIM/HER.
